Re: GENTILE v. ZWICKER & ASSOCIATES, P.C. et al
Docket No. 21-CV-02392

Dear Judge Donnelly:

As you know, this office represents several of the defendants in the above-captioned matter. Our office previously removed this case from Supreme Court Kings County.

The proceeding commenced by the pro se plaintiff (an attorney licensed to practice in this Court), was commenced with a Summons with Notice. No complaint was ever filed in State Court. As a result, there is no pleading for which defendants can respond and we are requesting, pursuant to FRCP 81(c), that the Court set a deadline for the filing of the complaint so that the defendants may respond and this case may move forward.

Thank you for your consideration.

Sincerely,

BARRON & NEWBURGER, P.C.
